

Rental Application Instructions

Dear Prospective Tenant,

Thank you for your interest in our apartment. To ensure a safe and enjoyable living environment for all our residents, we conduct a standard background screening for each applicant. Please follow the steps below to complete your application.

Step 1: Submit Application and Required Documents

Each prospective tenant must submit the following:

1. A **completed rental application form** (one per applicant). You may fill it out digitally or “print, complete, and scan” it.
2. **Proof of steady income**, such as
 - o Three months of recent pay stubs
 - o A hiring or employment offer letter
 - o Student loan documentation or financial aid information (if applicable)
3. A **photo of your driver’s license** or government-issued ID (front and back).

You may submit these documents through one of the following methods:

- **Email:** ClevelandRenter@gmail.com
- **Zillow message:** Attach files directly
- **Dropbox:** Upload securely via [DropBox](#) and share the file link with ClevelandRenter@gmail.com

Step 2: Pay the Application Fee

A **non-refundable \$75 application fee** is required per applicant. Please send the payment via **Zelle** or **PayPal** to ClevelandRenter@gmail.com. For PayPal, please select the “**Friends and Family**” option to avoid additional transaction fees.

Step 3: Screening Process Begins

Once we receive **both the application fee and all required documents** from each applicant planning to occupy the unit, you will get an email invite from onscreen

services, such as [TransUnion SmartMove](#), to complete an online form. The background check process will begin after you submit the information to the screening services.

We will also verify your employment and income to assess your ability to meet monthly rent obligations. We may also contact your current and/or previous landlords to evaluate your rental history. If additional authorization is required by any third parties, we will notify you.

The screening process typically takes **3 to 5 business days**, depending on how quickly we receive responses from each applicant's employers, landlords, and other agencies.

Questions?

If you have any questions, feel free to reach out by sending a zillow message. We look forward to receiving your application soon and potentially welcoming you to our community!
